By observing the result of the students all the teaching faculty have conducted a meeting on \_\_\_\_\_ for the improvement in result and student learning activity with capacity.

During staff meeting, it was discussed that the students should be segregated into the groups as per their results, unit test marks and the performance during lecture time.

The following criteria is planned for segregating students:

Sr. No.	Content	Marks Alloted	Marks Obtained	Remark
1.	Each subject alloted	50		
2.	Unit test	20		
3.	Oral viva / Demonstration	20		
4.	level of understanding and performance	10		

To categorise the student into advance learner, Average learner and slow learner, Following criteria are set for it:

Above 75 - Advance learner

Above 50 - Average learner

Below 50 - slow learner

After the segregation of students into slow, advance and average learner we have planned to improve the student performance, So responsibilities are handed over to the staff are as follows.

Guidance and Counselling done by

- 1) Applied Anatomy → Mr. Shubham Rangari
- 2) Applied Physiology → Ms. Anjali Pambze
- 3) Applied Psychology → Mr. Sunil Panchal
- 4) Applied Sociology → Ms. Anjali Kandelhore
- 5) Nursing foundation → Ms. Shradha Gochhe
- 6) English → Ms. Risha Jondhale

Sr. No.	Task for slow learners	Sr. No.	Task for Average learners
1)	- Communication & counselling about the need of extra study.	1)	- Communication & counselling.
2)	- short sessions of assignment and homework.	2)	- Focusing on one required extra attention.
3)	- Compensatory teaching.	3)	- feedback about performance.
4)	- Remedial lectures.	4)	- Compensatory teaching.
5)	- Individualised learning material.	5)	- Demo viva pro.
6)	- Use of multiple A.V. aids.	6)	- Use of multiple audio visual aids.
7)	- Developed own worksheets and exercises related to the chapter.	7)	- Demonstration & Redemonstration.
8)	- Encouraged oral tests more than written test.		
9)	- Providing personalised notes.		
10)	- Doubt clearance.		
11)	- Repetitive demonstrations.		

Month → ~~May~~  
April, 2022

Sr No.	Task for advanced learners	Evaluation
1)	Counselled about their plus points & minus points in tests.	- Counselling helped to assess the reason of less scoring among slow learners.
2)	Encouraged about maintaining the performance.	
3)	Explained about variety of book related to respective subjects.	- All students were able to perform activities adequately.
		- Average learner got more focused about the subjects they have not scored adequately.

By observing the result of the students all the teaching faculty have conducted a meeting on 17<sup>th</sup> October 2018 for the improvement in result & student learning activity.

During the staff meeting -

It is discussed that the students should be segregated into the groups as per their results, unit test, mark and the performances during the lecture time.

The following criteria is planned for the segregation of student.

CONTENT	MARKS ALLOTTED	MARKS OBTAINED	REMARK
Each subject passed allotted 10 marks.	50		
Unit Test	25		
Oral Viva	20		

To categorise the student into Advance learner, Average learner, slow learner following performance criteria are set:

Above 75 — Advance learner

50 - 75 — Average learner

Below 50 — slow learner.

\* After the segregation of student into slow, average and advance learner we have planned to improve the student performance so responsibilities are handed over to the staff as follows:

→ Guidance and Counselling — Mr. Sunil

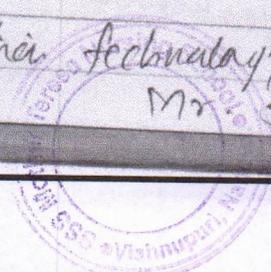

\* Pharmacology and pathology — Ms. ~~Kamini~~ Chhaya  
extra classes

\* Medical - Surgical Nursing — Ms. Anjali Tambe  
extra classes

\* Community Health Nursing — Ms. Megha Gajjar  
extra classes

\* Sociology — Ms. Bhagyashree Kendre

\* Communication and Education Technology.  
Mr. Sushil Khatu
