MENTORSHIP PROGRAM

- ✓ The goal of a mentorship program is to accelerate the personal and professional development of mentees.
- ✓ This is achieved by providing mentees with guidance, advice, and feedback from mentors with more experience than themselves.

COMMON OBJECTIVES

- ✓ **Develop Emerging Leaders:** Helping high performing employees develop their leadership abilities
- ✓ **Onboard Faster:** teaching new workers about the company and the expectations of management
- ✓ **Promote Diversity:** mentorship programs encourage and empower employees from minority groups who may not currently be reaching the next level of career development
- ✓ **Career Development:** assisting employees in meeting their career goals by honing new capabilities
- ✓ **Remote Work:** Allow people to build their career and network in a remote work environment.
- ✓ **Succession Planning:** seasoned workers who will be moving into retirement can impart their knowledge and wisdom to those who will take over when they leave
- ✓ **Improving Culture:** building productive relationships among co-workers can lead to a healthier workplace culture.
- ✓ **Reputation Building:** organizations who show a commitment to their employees' development will gain a reputation as a desirable place to work
