### **LIST OF OPPORTUNITIES PROVIDED FOR THE STUDENTS FOR MIDCOURSE IMPROVEMENT OF PERFORMANCE IN THE EXAMINATIONS**

- **Timely administration of CIE**

As part of internal evaluation, tests are scheduled for every 15 to 20 hours of class. Tests are conducted under the direct supervision of the subject teachers. The test papers are prepared in accordance with the university question paper pattern. Performance of students is evaluated based on the objectives and expected standards by the university/INC.

- **On time assessment and feedback**

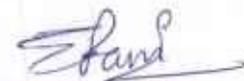

Answer papers are corrected within two weeks of conduction of test and answers are discussed when the papers are distributed, thereby ensuring on time feedback. The failed candidates are informed about the supplementary tests and adequate guidance is provided for improving the student's performance.

- **Makeup Assignments / tests**

Make up assignments are given to students with a stipulated time for its completion by the concerned subject teacher. The assignment is evaluated as part of the internal assessment. A minimum of two supplementary tests for the failed students is conducted. Students who pass in the supplementary test will be awarded only 50% marks irrespective of the total score. Revision and tests on topics that students find difficult to comprehend are conducted during remedial classes.

- **Remedial teaching/support**

Remedial classes are organized by the individual subject teachers based on the needs of the slow learners. These classes are conducted after 4:00 pm on working days after obtaining prior permission from the principal.
