By observing the result of the students all the teaching faculty have conducted a meeting on   for the improvement in result and student learning activity with capacity.

During staff meeting, it was discussed that the students should be segregated into the groups as per their results, unit test marks and the performance during lecture time

The following criteria is planned for segregating students:

Sr. No.	Content	Marks Alloted	Marks Obtained	Remark
1.	Each subject alloted	50		
2.	Unit test	20		
3.	Oral viva / Demonstration	20		
4	Level of understanding and performance	10		

To categorise the student into advance learner, Average learner and slow learner, Following criteria are set for it :

Above 75 - Advance learner
Above 50 - Average learner
Below 50 - slow learner

After the segregation of students into slow, advance and average learner we have planned to improve the student performance, So responsibilities are handed over to the staff are as follows.

Guidance and Counselling done by

1) Applied Anatomy → Mr Shubham Rangari

2) Applied Physiology → Ms Anjali Tambe

3) Applied Psychology → Mr Sunil Panchal

4) Applied Sociology → Ms Anjali kandhare

5) Nursing foundatation → Ms Shraddha Gochche

6) English → Ms Aisha Jondhale

Sr. No.	Task for slow Learners	Sr. No.	Task for Average Learners
1)	- Communication & Counselling about the need of extra study.	1)	- Communication see lacunae.
2)	- short sessions of assignment and homework	2)	- focusing on over required extra attention.
3)	- Compensatory teaching	3)	
4)	- Remedial Lectures	3)	- feedback about performance.
5)	- Individualised Learning material.	4)	Compensatory tea
6)	- Use of multiple A.V. aids	5)	Demo viva pr
7)	- Developed own worksheets and exercises related to the chapter.	6)	Use of multiple audio visual aid
8)	- Encouraged oral tests more than written test	7)	Demonstration & Redemonstration
9)	Providing personalised notes.		
10)	Doubt clearance.		
11)	Repetitive demonstrations		

Month → ~~May~~
April. 2022

Sr No.	Task for advanced learners	Evaluation
1)	Counselled about their plus points & minus points in tests.	- Counselling helped to asses the reason of less scoring among slow learners.
2)	Encouraged about maintaining the performance.	
3)	Explained about variety of book related to respective subjects.	- All students were able to perform activities adequately.
		- Average learners got more focused about the subjects they have not scored adequately.

This is certify that this record in the form of register belongs to the SSS Mother Teresa Nursing school, vishnupuri Nanded to maintain diversity of students & their progression, assignments given for second Basic BSc Nursing (2020-21 Batch)

FROM -22.oct 2021   Till.

By observing the result of the students all the teaching faculty have conducted a meeting on 17th octomber 2018 for the improvement in result, student learning activity.

During the staff meeting -

It is discussed that the students should be segregated into the groups as per their results, unit test, mark and the performances during the lecture time.

The following criteria is planned for the segregation of student.

CONTENT	MARKS ALLOTED	MARKS OBTAINED	REMARK
Each subject passed alloted 50 marks.	50		
Unit Test	25		
Oral Viva	20		

to categories the student into Advance learner, Average learner, slow learner following performance criteria are set:

Above 75 — Advance learner

50 - 75 — Average learner

Below 50 — slow learner.

* After the segregation of stude into slow, average and advan learner we have planned to impro the student performance so responsibilities are handed over the staff -ace as follows:

+ Guidance and Counselling — Mr. Sunil

* Pharmacology and pathology — Ms. Chhaya eretra classes
sol

* Medical Surgical Nursing — Ms. Anjali Tamb eretra classes

* Community Health Nursing — Ms. Megha Gagjea eretra classes

* Sociology — Ms Bhagyashree kondre

* Communication and Education fechnology.
Mr. Sushil kath
